

A diagram illustrating Maslow's hierarchy of needs. It features a stylized human figure outline in gray. Inside the figure, there are three main components: a gray box at the top labeled 'COMPORTEMENT', a pink box below it labeled 'EMOTIONS', and a large yellow box at the bottom labeled 'BESOINS'. A thick dark blue horizontal line is positioned between the 'EMOTIONS' and 'BESOINS' boxes. The 'COMPORTEMENT' box is further highlighted by a thick black horizontal line above it.
